

It is never too early to begin building healthy and safe habits.

Start the first day, August 17th, walking, riding or carpooling to school.

Los Gatos-Monte Sereno Safe Routes to School will greet students and families that day with Walk and Roll Maps along with red wristbands as a reminder to walk and roll each day.

Wear your wristband to show your support of *SR2S* and the children in our community.

Funding made possible by the Centers for Disease Control and Prevention
